My present to you the sweetest tattoo collapsing hearts in reddest blue you will be scared by signs on your pillow he's not you man - no!

The poems I wrote revealing the code to my thoughts which help to note that I realized your deepest desire pick up the phone - enjoy the unknown

Enjoy the unknown

Your smile on tv means nothing to me 'cause you are all you could be and I feel sorry 'bout the death of your pet!

Enjoy the unknown always always enjoy the unknown always always the end is near we're dying here always always enjoy the unknown creep around your window

Enjoy the unknown

Enjoy the unknown always always enjoy the unknown always always the end is near we're dying here always always enjoy the unknown creep around your window

Enjoy the unknown...
