

Hall Of Souls

And One

Father, bring me back the hall of souls
Take my hand and say "come on"
There's someone to justify the shows
A space in my head seems to be sold

Where are you now, I'm so sad, I feel bad
Where are you now, I'm so sad, I feel bad

Mother, take me back - don't wanna go
Bring me back to a better place
There's someone who needs me now
It's a sweet person with a pretty face

Where are you now, I'm so sad, I feel bad
Where are you now, I'm so sad, I feel bad

Mumo sche tato - unse sin setz
Wrou se vju la woj - numelesa singure
Mijemje frigk - jo nu wrou ratt - nikat wische
Vater, Mutter - wo seid ihr - ich will bei euch sein - laßt mich nicht allein
Ich will keinen Krieg - niemals, niemals wieder (mir ist so kalt)

Where are you now, I'm so sad, I feel bad
Where are you now, I'm so sad, I feel bad
