

Paddy Is My DJ

And One

It's wednesday night
for those who can flee
there's one place to go
which only the only can see.

My sparkling wine
I'd never resist
I guess that's only me
just breathing the people I missed
don't let this get over.

It's a perfect party to me
cause he's DJ tonight
everybody's dancing
he's even doing the light
doing the light.

Swimming in a black, tight music pool
Paddy is my DJ
everybody's going to skip the school
Paddy is my DJ
if I could pitch a tent right there
a pillow and a blanket a girl to share
a bassdrum, toms and snare
I would not care.

And if you're not fine
with music he do
no reason to leave
cause Paddy makes your wishes come true
(Sometimes, maybe, probably not)

We enjoy the ride
we melt into this floor
It's easy to feel what
he is living for
(Four, three, two, one)

Swimming in a black, tight music pool
Paddy is my DJ
everybody's going to skip the school
Paddy is my DJ
if I could pitch a tent right there
a pillow and a blanket a girl to share
a bassdrum, toms and snare
I would not care.
I wish you would be there.
