

## Paddy Is My DJ

And One

It's wednesday night  
for those who can flee  
there's one place to go  
which only the only can see.

My sparkling wine  
I'd never resist  
I guess that's only me  
just breathing the people I missed  
don't let this get over.

It's a perfect party to me  
cause he's DJ tonight  
everybody's dancing  
he's even doing the light  
doing the light.

Swimming in a black, tight music pool  
Paddy is my DJ  
everybody's going to skip the school  
Paddy is my DJ  
if I could pitch a tent right there  
a pillow and a blanket a girl to share  
a bassdrum, toms and snare  
I would not care.

And if you're not fine  
with music he do  
no reason to leave  
cause Paddy makes your wishes come true  
(Sometimes, maybe, probably not)

We enjoy the ride  
we melt into this floor  
It's easy to feel what  
he is living for  
(Four, three, two, one)

Swimming in a black, tight music pool  
Paddy is my DJ  
everybody's going to skip the school  
Paddy is my DJ  
if I could pitch a tent right there  
a pillow and a blanket a girl to share  
a bassdrum, toms and snare  
I would not care.  
I wish you would be there.
