

# Virgin Superstar

And One

Ladies and gentlemen  
I'm very proud to present  
Here tonight live on stage  
Virgin superstar

The night is falling  
And so have we  
Into oblivion and reverie  
And nothing really matters anymore  
When heaven waits  
With an open door

So baby trust me believe me  
I've got a million dollar smile  
Why don't you take my hand  
For a while

Virgin superstar  
Wonder where you are  
You're making the headlines tonight  
Virgin superstar  
This time you've gone too far  
You're making the headlines tonight

And she was living on borrowed time  
She said destiny is a friend of mine  
Innocence is something you can buy  
When heaven waits with a hidden lie

So baby trust me believe me  
I've got a million dollar smile  
Why don't you take my hand  
For a while

Virgin superstar  
Wonder where you are  
You're making the headlines tonight  
Virgin superstar  
This time you've gone too far  
You're making the headlines tonight
