

## Unforgettable Night

### And Then I Turned Seven

I'm speechless, so impressed  
I've forgotten all my pain  
Your presence, in essence  
Makes it go away  
Please take the seat next to me  
Please take the seat next to me  
You're just a stranger to me  
But somehow you've changed how I think  
You saved me from my past  
With just a harmless dance  
Sedated, I hate it,  
Too afraid to make a move  
You're so friendly, the night's ending  
And i haven't made a move  
Please can I see you again  
I don't want this night to end  
Cause you're just a stranger to me  
But somehow you've changed how I think  
You saved me from my past  
With just a harmless dance  
Falling from your heart-shaped noose  
That my dull teeth helped cut me through  
Falling fast, into your arms,  
The night's so cold, the air's so warm
