

What Did I Do

And Then I Turned Seven

I hear you call my name for the last time
I try to tell myself that it'll all be fine
But I cannot lie, i'd rather die then be alone

Things just arent the way that they are suppose to be
All I wanted was for you to love me
But as time passed, you went out so fast
Now Im alone

I never wanted to be alone
I always wanted you for me to hold
I dont know what I should do
Cause now I lost you

I wish you wouldnt have been so quick to leave
Everything we had, You ripped my heart in two
