

What It's Like

Andain

Do you know what it's like
When your world seems to change overnight
And it feels like the earth could break
Tell me, do you know what it takes

Stop my heart, don't let it break
Is it true that you did what you said?
And it's hard for me to see you so far
And it's hard to see you for what you are
What you are, what you are

Do you know what it's like
When your world seems to change overnight
And it feels like the earth could break
Tell me, do you know what it takes

Hold me breath, hold me down
Take the hand of god and lead me to drown
And it's fine to say that it's not real
And maybe I won't run or I won't feel
I won't feel, I won't feel

Do you know what it's like
When your world seems to change overnight
And it feels like the earth could break
Tell me, do you know what it takes

Heaven won't ever forgive
Making it hurt when you see
My every day, my every night
I hide, I hide, I say why

Do you know what it's like
When your world seems to change overnight
And it feels like the earth could break
Tell me, do you know what it takes, takes...
