

You Once Told Me

Andain

You once told me
I wouldn't know it enough
Oh let me tell you something
Yeah I do
You once told me
I won't feel it enough
Well let me tell you that
Baby I do

Sometimes I find myself
In a scene, in a dream that's so far away
Sometimes I...
Tell me what's happened to me

Sometimes I see myself falling
Though I don't show it much
Sometimes I'm crazy for you
Well maybe I'm fine
And tell me you're mine but

Sometimes I find myself
In a scene, in a dream that's so far away
Sometimes I...
Tell me what's happened to me

Tell me baby, can you hold me now
We don't have to say it, I feel it too
And maybe I'm falling or maybe
But I don't show it much
Tell me baby, can you see me now
Show me baby what I don't know how
How can I start to see inside the fog but

Sometimes I find myself
In a scene, in a dream that's so far away
Sometimes I...
Tell me what's happened to me

In a scene, in a dream that's so far away
Sometimes I...
Tell me what's happened to me
