

# Banker's Delight (Dead or Alive)

Andi Deris

I don't care who your are  
I don't care where you've been  
I don't care where you go to  
What you've done or what you've seen  
I don't care if you are frightened  
If you're longing to be free  
I don't care how much you're bleeding  
Every single drop's for me

Yeah, yeah, yeah  
I'm gonna get you  
Yeah, yeah  
Dead or alive  
Dead or alive  
Dead or alive

I don't care what you need  
I just care for my meat  
I don't care if you lose  
As long as I will get my juice  
I don't care about your dreams  
But I pretend to as it seems  
Just to make you feeling safe  
But you're just a modern slave

Yeah yeah yeah  
I'm gonna get you  
Yeah, yeah  
Dead or alive  
Dead or alive  
Dead or alive

My lies destory your fears  
My lies wil dry your tears  
I'll turn your hopes to shame  
I'll make you play my game

My lies destory your fears  
My lies wil dry your tears  
I'll turn your hopes to shame  
I'll make you play my game  
Dead or alive  
Dead or alive  
Dead or alive

I'm gonna get you  
I'll make you pay  
Dead or alive  
Dead or alive  
Dead or alive
