

Cock

Andi Deris

First they feed us
Then let bleed us
Tell tale liars
Wake desires
Play their terror
Act like fellow allies
I'm not your brother, motherfucker

Hey deceiver
Make believer
I ain't your mother
Stick your cock into another
False reliever
Mess achiever
Tell your mother
Stick cock into another

Global raptor
Home corruptor
Politician
Vote tactician
Smile your smile
On TV mission
Don't grin
I'm not your borther, mottherfucker

Hey deceiver
Make believer
I ain't your mother
Stick your cock into another
False reliever
Mess achiever
Tell your mother
Stick cock into another

We all have to die
We all have to die
We all have to die
We all have to die

Then you will face it
Your first will be the last
Us last will judge your past
Revelations
Congratulations
Revelations
Congratulations

Hey deceiver
Make believer
I ain't your mother
Stick your cock into another
False reliever
Mess achiever
Tell you mother
Stick cock into another
Hey food chaser

James George Frazer
Did your mother
Stick your cock into another
Hey deciever
Make beleiver
I ain't your mother
Stick your cock into another
