Andre Nickatina

Yeah

Its frisco's finest

And see it as a privilege when quipto rhymin

If ya (look in my eyes) you can see that they slanted

My sly samarai chopp you down with a hatchet

You can (look at me) and see Q in the flesh

Just boss like rammy moss boy and move to the west

You can (look in my eyes) andyou can tell where they rest

We blessed, the best weed goin straight to your chest

C'mon (look at me) as a real mc, just know that I'm explosive l
ike tnt

'cause you can (look in my eyes) and they like red as the sea

But still I stay two steps ahead of your freaks

Just (look at me) I'm still standing here living proof

A fuckin' interview,
