And off that chewy man shit can get like britical

You think you know me? Well test your luck and try me out

And watch me treat you like a cow in a slaughterhouse

That cutty chrome, that microphone

That new Jim Jones, that indo zone

That watch that valium on your dome

I'm putting beary fairy niggas in a state of shock (shock!)

And I'm a killa whale but nigga check my pit lock

So bust that, crush that, crush that

Cuh-crack crack!

Deadly like that Octagon

So what's the use if fuckin Salt if I can't fuck with Pepper

So check my rep, survival tech, and hit man killa tactics

Niggas get berry faced down on silver plastic

Mothafucka, niggas get split like a wishbone

Dank or dope, bank or cope, Nigga Mista Jim Jones

The fat rat dominator, microphone terminator

Quick to break the neck of an E-40 imitator

Nigga don't front, you know I got you open

With more Raider in me than they ever had in Oakland

Cause I'm the dirty worm hunter

In Miami, nothin but the money and the power
A deadly mix at 6 foot 6 I'm sorta like a tower
Or a tanker, a mothafuckin Iraq tanker
Nigga raise up and get (dropped!) dropped (dropped!) like an anchor
The Gaurdian Angels lookin straight to rip right on the spot
Cause all you are are voluntary unpaid rent a cops
And I'm a factor, better yet a motherfuckin force
Now I gotta shoot you like a broke legged horse
In pain, nigga break me off beneficial
Mothafuckas praise Nino Brown and Felix Mitchell
Big bread, too mothafuckin smart for the feds
These niggas try to whisper (what you say?) but I heard

(Fuck you!) Nigga fuck me? NO NIGGA FUCK YOU!
Fuck them mothafuckas I don't duck them mothafuckas

So without a doubt I'll turn it out I ain't got no time to clown
My first few words are to the point-nigga lay down
So rock me up cause I'm dope and triple beam to scale
