

# I Belong To Me

André Rieu

I will not give up my own self  
Just to be with you  
I will not be glad just to do  
What I'm told to do  
I'm not meant to be your property  
No, I belong I me

If I want to reach for the stars  
You can't hold me back  
I want to take chances  
Far off from the beaten track  
Don't force me to be what I can't be  
I belong to me

If you try to tame me  
I will not obey  
I'd rather leave you alone  
If you try to change me  
I must break away  
To be what I am on my own

I'm freezing, I'm burning  
I live without compromise  
I'm growing, I'm learning  
I'm ready to pay the price  
I know it's not easy to be free  
But I belong to me

I hate to be burdened  
With duties that I despise  
You know I can't stand  
To be watched by a thousand eyes  
I flee from the crowd in agony  
I just belong to me

If you want to keep me  
Don't hold me so tight  
I can't give my life for your love  
If you want to break me  
I'll not even fight  
I'll just fly away like a dove

I'm here when you need me  
I live and I die with you  
I'll share all your troubles  
I'll laugh and I'll cry with you  
You can blame me and bless me  
But you cannot possess me  
'Cause I belong to me  
To me!
