

I Love You

André Rieu

La La
La la la la
la la
la la la...

I like your smile
I like your vibe
I like your style
But that's not why I love you

And I, I like the way
You're such a star
But that's not why I love you

Hey, do you feel, do you feel me?
Do you feel what I feel too?
Do you need, do you need me?
Do you need me?

You're so beautiful
But that's not why I love you
I'm not sure you know
That the reason I love you

Is you being you, just you
Yeah, the reason I love you
Is all that we've been through
And that's why I love you

I like the way you misbehave
When we get wasted
But that's not why I love you

And how you keep your cool
When I am complicated
But that's not why I love you

Hey, do you feel, do you feel me?
Do you feel what I feel too?
Do you need, do you need me?
Do you need me?

You're so beautiful
But that's not why I love you
And I'm not sure you know
That the reason I love you

Is you being you, just you
Yeah, the reason I love you
Is all that we've been through
And that's why I love you

Even though we didn't make it through
I am always here for you, you

You're so beautiful
But that's not why I love you

I'm not sure you know
That the reason I love you

Is you being you, just you
Yeah, the reason I love you
Is all that we've been through
And that's why I love you

That's why I love you
That's why I love you
That's why I love you
