La ...

I like your smile
I like your vibe
I like your style
But that's not why I love you

And I, I like the way You're such a star But that's not why I love you

Hey, do you feel, do you feel me? Do you feel what I feel too? Do you need, do you need me? Do you need me?

You're so beautiful
But that's not why I love you
I'm not sure you know
That the reason I love you

Is you being you, just you Yeah, the reason I love you Is all that we've been through And that's why I love you

I like the way you misbehave When we get wasted But that's not why I love you

And how you keep your cool When I am complicated But that's not why I love you

Hey, do you feel, do you feel me? Do you feel what I feel too? Do you need, do you need me? Do you need me?

You're so beautiful
But that's not why I love you
And I'm not sure you know
That the reason I love you

Is you being you, just you Yeah, the reason I love you Is all that we've been through And that's why I love you

Even though we didn't make it through I am always here for you, you

You're so beautiful But that's not why I love you I'm not sure you know
That the reason I love you

Is you being you, just you Yeah, the reason I love you Is all that we've been through And that's why I love you

That's why I love you That's why I love you That's why I love you
