

Nun's Chorus

André Rieu

Holy Mary, Day by day
Watch beside us, guard and guide us
Lest we stray on life's highway
On our knees to thee
Humbly we pray

Hear my plea! Pity me,
Blessed Mary send and save me
Holy Maid, Lend your aid
Ere the convent vows enslave me.

Fairest Flow'rs I'll bring you,
Sweetest songs I'll sing you,
Pray'r and Praise shall not cease
If you grant release.
