Oh When the Saints

We are trav'ling in the footsteps Of those who've gone before But we'll all be reunited (but if we stand reunited) On a new and sunlit shore (then a new world is in store)

O when the saints go marching in When the saints go marching in O Lord I want to be in that number When the saints go marching in

And when the sun refuse (begins) to shine And when the sun refuse (begins) to shine O Lord I want to be in that number When the saints go marching in

When the moon turns red with blood When the moon turns red with blood O Lord I want to be in that number When the saints go marching in

On that hallelujah day On that hallelujah day O Lord I want to be in that number When the saints go marching in

O when the trumpet sounds the call O when the trumpet sounds the call O Lord I want to be in that number When the saints go marching in

Some say this world of trouble Is the only one we need But I'm waiting for that morning When the new world is revealed

When the revelation (revolution) comes When the revelation (revolution) comes O Lord I want to be in that number When the saints go marching in

When the rich go out and work When the rich go out and work O Lord I want to be in that number When the saints go marching in

When the air is pure and clean When the air is pure and clean O Lord I want to be in that number When the saints go marching in

When we all have food to eat When we all have food to eat O Lord I want to be in that number When the saints go marching in

When our leaders learn to cry When our leaders learn to cry

André Rieu

O Lord I want to be in that number When the saints go marching in
