

Slumber My Darling

André Rieu

Slumber my darling
Thy mother is near
Guarding they dreams
From all terror and fear

Sunlight has past
And the twilight has gone
Slumber my darling
The night's coming on

Sweet visions attend they sleep
Fondest dearest to me
While others their revels keep
I will watch over thee

Slumber my darling
The birds are at rest
Wandering dews
By the flowers are caressed

Slumber my darling
I'll wrap thee up warm
Pray that the angels
Will shield thee from harm

Slumber my darling
Til morn's blushing ray
Brings to the world
The glad tidings of day

Fill the dark void
With thy dreaming delight
Slumber thy mother
Will guard thee tonight

Thy pillow shall sacred be
From all outward alarm
Thou thou art the world to me
In thy innocent charms

Slumber my darling
The birds are at rest
Wandering dews
By the flowers are caressed

Slumber my darling
I'll wrap thee up warm
Pray that the angels
Will shield thee from harm
