Stupidest Girl In The World

Andrea Corr

My life, just when it's going well I smash it all in pieces. I'm like a magnet to the ground to everything that's creeping.

What am I doing back here, I thought I'd finished with you, But I'm starting again. What am I gonna do now, Who do you really love now Getting broken again.

Your life and your covenant to lie that promise you'll be keeping, I'm sure. I know your every gritty move, it wakes me when I'm sleeping.

What am I doing back here, I thought I'd finished with you, But I'm starting again. What am I gonna do now, Who do you really love now Getting broken again.

These situations Are my own creation, A dark fascination, I want to be small again.

I lose concentration, You sense my vacation, A prime invitation, You're getting control again.

What am I doing back here, I thought I'd finished with you But I'm starting again. What am I gonna do now, Who do you really love now Getting broken again.
