

# My Oldest Friend

Andrew Belle

Don't wanna sound ridiculous  
but I think you know I'm sick of this  
and I kinda think that we can bend, do you?  
I'll try to be a better friend to you  
you know I miss ya in my life  
and I kinda think that I realise  
that I was only lookin' out for me  
instead of gettin' you the help you need

who do you think you are?  
who do I think I am?  
barely listening to my oldest  
my oldest friend

oh my oldest, my oldest friend

I've given one, you've taken two  
but this medicine has followed you  
from the eastern coast and back again  
so I tell you once but not again  
that I only miss you in my life  
and I hope you finally realise  
that I'm only looking out for you  
when I'm not afraid to see this through

who do you think you are?  
who do I think I am?  
barely listening to my oldest  
my oldest friend

oh my oldest, my oldest friend

So wanna sound ridiculous  
'cause I think you know I'm sick of this  
and I kinda think that we can bend, do you?  
I'll try to be a better friend to you  
you know I miss ya in my life  
and I kinda think I realise  
that I was only lookin' out for me  
instead of gettin' you the help that you need

whoa-oh, whoa-oh oooh, whoa-oh oooh
