

## Satisfied

Andrew Bird

I'm goin' on home now guess I'm satisfied  
Please tell me 'cause I don't know  
While I'm splayed out on the floor  
What it's like what it's like to be satisfied

I'm all alone now guess I'm satisfied  
Last night, last night, lordy  
How I cried

Little bit old now guess I'm satisfied  
Please tell me 'cause I don't know  
While I'm splayed out on the floor  
What it's like to be satisfied
