

A Kiss Is A Terrible Thing To Waste

Andrew Lloyd Webber

(ah, if only) (ah, if only)

If you listen to the night you can hear the darkness call I can barely stand to wait, I can't barely stand at all C'mon closer to me now like we're sharing the same skin We gotta get out of this jail, we gotta let the future in!

So many things in your life that you're bound to regret "Why didn't I do that? Why didn't I do this?" So many chances you lost that you'll never forget "Why didn't I make it? Why didn't I take it right there?"

The loneliest words you'll ever know: "If only, if only it was so" The emptiest words that there'll ever be: "It could have been me, it could have been me"

The loneliest words you'll ever know: "If only, if only it was so" The emptiest words that there'll ever be: "It could have been me, it could have been me"

You'll have to pay for it later If you don't get it when it's going for free Believe me! Believe me!

A kiss is a terrible thing to waste A kiss is a terrible thing to waste It's something that's always been so A kiss is a terrible thing to waste A kiss is a terrible thing to waste

And one of these nights you're gonna show me that you already know There's a feast waiting for you and you never even gotten a taste It's later than you think And a kiss is a terrible thing to waste

You shouldn't tremble when we touch, there's no reason for these fears It's a promise that was made, we've been promised this for years I wanna show you it all: what to do, and where and how 'Cause we'll never be as young as we are right now! We'll never be as young as we are right now!

So many cries in the night that you try to ignore "Why didn't I do this? Why didn't I do that?" So many unanswered prayers, so many unopened doors "Why didn't I take it? Why didn't I make it come true?"

The loneliest words you'll ever know: "If only, if only it was so" The emptiest words that there'll ever be: "It could have been me, it could have been me"

The loneliest words you'll ever know: "If only, if only it was

so" The emptiest words that there'll ever be: "It could have been me, it could have been me"

You'll have to pay for it later If you don't get it when it's going for free Believe me! Believe me! Believe me!

A kiss is a terrible thing to waste A kiss is a terrible thing to waste It's something that's always been so A kiss is a terrible thing to waste A kiss is a terrible thing to waste

And one of these nights I'm gonna show you that you already know There's a feast waiting for you and you never even gotten a taste It's later than you think And a kiss is a terrible thing to waste...

There's a feast waiting for you And you never even gotten a taste It's later than you think And a kiss is a terrible thing to waste...

Tire tracks and broken hearts That's all we're leaving behind It doesn't matter what we're losing It only matters what we're going to find!

There's a feast waiting for you and you never even gotten a taste It's later than you think And a kiss is a terrible thing to waste (a kiss is a terrible thing to waste) A kiss is a terrible thing to waste.....
