Amigos Para Siempre

Andrew Lloyd Webber

Sarah I don't have to say A word to you You seem to know Whatever mood I'm going through Feels as though I've known you forever José You Can look into my eyes and see The way I feel And how The world is treating me Maybe I have known you forever both Amigos para siempre Means you'll always be my friend Amics per sempre Means a love that cannot end Friends for life Not just a summer or a spring Amigos para siempre I feel you near me Even when we are apart Just knowing you are in this world Can warm my heart Friends for life Not just a summer or a spring Amigos para siempre Sarah We share memories I won't forget And we'll share more, My friend, We haven't started yet Something happens When we're together José When I look at you I wonder why There has to come A time when we must say goodbye I'm alive when we are together both Amigos para siempre Means you'll always be my friend Amics per sempre Means a love that cannot end Friends for life Not just a summer or a spring Amigos para siempre I feel you near me Even when we are apart Just knowing you are in this world Can warm my heart
