## **Peter's Denial**

## Andrew Lloyd Webber

I think I've seen you somewhere I remember You were with that man They took away I recognize your face You've got the wrong man, lady I don't know him And I wasn't where He was tonight Never near the place That's strange For I am sure I saw you with him You were right by his side And yet you denied? I tell you I was never ever with him But I saw you too It looked just like you I don't know him Peter don't you know what you have said You've gone and cut him dead I had to do it Don't you see? Or else they'd go for me It's what he told us you would do I wonder how he knew?
