

# Starlight Express

Andrew Lloyd Webber

When your good nights have been said  
And you are lying in bed  
With the covers pulled up tight  
And though you count every sheep  
You get the feeling that sleep  
Is going to stay away tonight.  
That's when you hear it coming  
That is when you hear the humming of the  
Midnight train, here again  
Can't explain that midnight train, that midnight train  
Starlight Express, you must confess  
Are you real, yes or no?  
Starlight Express, answer me yes.  
I don't want you to go.  
Want you to take me away  
But bring me home before day-light  
And in the time between  
Take me to everywhere  
But don't abandon me there  
Just want to say I-ve been.  
I believe in you completely  
Though I may be dreaming sweetly of the  
I can hear the train, here again  
Can't explain that midnight train, that midnight train  
Starlight Express, you must confess  
Are you real, yes or no?  
Starlight Express, answer me yes.  
I don't want you to go.  
Starlight Express, answer me yes.  
I don't want you to go.  
Starlight Express, you must confess,  
Are you real, yes or no?  
Starlight Express, answer me yes.  
I don't want you to go.
