

# The Heart Is Slow To Learn

Andrew Lloyd Webber

The heart is slow to learn  
The heart is slow to learn  
These feelings that I feel  
Are foolish but their real  
I'm wise enough to see this love will never be  
I'd try to let us know there's still no letting go

I know it's mad and you won't return  
But still as I have said  
The heart is slow to learn

I'll never love as I have loved you  
Why is love crule I wish I knew  
Say whatyou willit does'nt matter  
Until I die there's only you  
Until I die there's only you

The heart is slow to learn  
The heart is slow to learn  
You'd think there would be a way  
To shut out yesterday  
Perhaps if I just thought  
Of all the times we fought  
I'd try to let us know there's still no letting go

I know it's mad and you won't return  
But then as I have said the heat is slow to learn

I'll never love as I have loved you  
Why is love crule I wish I knew  
Say what you will it does'nt matter  
Until I die there's only you  
Until I die there's only you  
The heart is slow to learn
