

The Perfect Year

Andrew Lloyd Webber

Bring out the old, bring in the new
A midnight wish to share with you
Your lips are warm, my head is light
Were we alive before tonight?
I don't need a crowded ballroom
Everything I want is here
If you're with me, next year will be
The perfect year
No need to hear the music play
Our eyes say all there is to say
The clock has struck
The die is cast, let's take a chance
Forget the past
I don't need a crowded ballroom
Everything I want is here
If you're with me, next year will be
The perfect year
I don't need a crowded ballroom
Everything I want is here
If you're with me, next year will be
The perfect year
It's New Year's Eve, and hopes are high
Dance one year in, kiss one good-bye
Another chance, another start
So many dreams to tease the heart
We don't need a crowded ballroom
Everything we want is here
And face to face, we will embrace
The perfect year
We don't need a crowded ballroom
Everything we want is here
And face to face, w will embrace
The perfect year
