## **The Point Of No Return**

## Andrew Lloyd Webber

PHANTOM: Passarino - go away! For the trap is set and waits for its prey ... You have come here in pursuit of your deepest urge, in pursuit of that wish, which till now has been silent, silent... I have brought you, that our passions may fuse and merge. In your mind you've already succumbed to me dropped all defences completely succumbed to me. Now you are here with me, no second thoughts, you've decided, decided... Past the point of no return, no backward glances Our games of make believe are at an end... Past all thought of "if" or "when" no use resisting. Abandon thought, and let the dream descend... What raging fire shall flood the soul? What rich desire unlocks its door? What sweet seduction lies before us . . .? Past the point of no return, the final threshold, what warm, unspoken secrets will we learn? Beyond the point of no return... CHRISTINE: You have brought me to that moment where words run dry, to that moment where speech disappears into silence, silence . . . I have come here, hardly knowing the reason why ... In my mind, I've already imagined our bodies entwining defenceless and silent...

And now I am here with you: no second thoughts, I've decided, decided... Past the point of no return no going back now. Our passion-play has now, at last, begun... Past all thought of right or wrong one final question: How long should we two wait, before we're one...? When will the bloodbegin to race the sleeping bud burst into bloom? When will the flames, at last, consume us...? BOTH: Past the point of no return the final threshold the bridge is crossed, so stand and watch it burn... We've passed the point of no return... PHANTOM: Say you'll share with me one love, one lifetime... Lead me, save me from my solitude... Say you want me with you here, beside you Anyway you go let me go too Christine, That's all I ask of...
