

See Her on the Weekend

Andrew McMahon in the Wilderness

Up around town with a headache kicking
Guess I fell asleep with a cigarette
My girl's back home with a morning sick
Got a baby on the way, not here yet
And I'm alright, I think we're good
Yeah I drink more than the doctors say I should
I've been a little hard to reach
But my girl is at the beach
And I see her on the weekend
I see her on the weekend
I see her on the weekend
I see her at the end of the week

Friday comes, lately I'm sleeping
Until the sun fills up my rented room
I pack my things, get my car started
Yeah I've been gone but I'll be home real soon
Cell phone's dead, and she's calling
Message box is full
