

One In A Million

Andrew Rayel

This world can be
Such a lonely place to hide
And that's all I see
Till' you open my eyes for me
And now I see the light
And now the future is so bright

I'll hold on tight to you
Never let it go
Your love's one in a million
I'd put up a fight for you
Can't make it on my own
Your love's one in a million

And if I lose your heart
I'm sure I'd fall apart

You are the sun to me
You're my everything
Your love's one in a million

One in a million
One in a million
One in a million
One in a million
