

## Beginning

Andrew W.K.

And I pray someday we'll touch  
And I pray someday we'll cry

And I pray someday we'll call  
And I pray someday we'll sway

And I pray someday we'll cross  
Cross each other on our way

And then we begin to fall in love

And time is going to be nurturing  
A very wholesome love  
And time is going to be growing  
A very wholesome love

And time is going to be nurturing  
A very wholesome love  
And time is going to be growing  
A very wholesome lovee
