

I'm A Vagabond

Andrew W.K.

So You've Come To Analyze Me
And Tell Me Where I Belong
But Don't You Put Your Finger On Me
I'm A Vagabond

So You've Come To Criticize Me
Before I Have To Move On
But Don't You Put Your Finger On Me
I'm A Vagabond

You Even Tried To Hypnotize Me
Until The Cold Morning Dawn
But You Can't Put Your Finger On Me
I'm A Vagabond

So Now You've Come To Apologize
But I Am Already Gone
And You Can't Put Your Finger On Me
I'm A Vagabond
