

# I'm A Vagabond

Andrew W.K.

So You've Come To Analyze Me  
And Tell Me Where I Belong  
But Don't You Put Your Finger On Me  
I'm A Vagabond

So You've Come To Criticize Me  
Before I Have To Move On  
But Don't You Put Your Finger On Me  
I'm A Vagabond

You Even Tried To Hypnotize Me  
Until The Cold Morning Dawn  
But You Can't Put Your Finger On Me  
I'm A Vagabond

So Now You've Come To Apologize  
But I Am Already Gone  
And You Can't Put Your Finger On Me  
I'm A Vagabond
