I'm A Vagabond

Andrew W.K.

So You've Come To Analyze Me And Tell Me Where I Belong But Don't You Put Your Finger On Me I'm A Vagabond

So You've Come To Criticize Me Before I Have To Move On But Don't You Put Your Finger On Me I'm A Vagabond

You Even Tried To Hypnotize Me Until The Cold Morning Dawn But You Can't Put Your Finger On Me I'm A Vagabond

So Now You've Come To Apologize But I Am Already Gone And You Can't Put Your Finger On Me I'm A Vagabond
