

# Linda Linda

Andrew W.K.

I Want Life  
To Be  
Beautiful

Just As Beautiful  
As A Gutter Rat

There Are Parts Of Me  
I've Hidden From You  
And They Will Never Show  
In Photographs

On The Day  
When We Meet  
We Will Talk  
About Love  
Understand  
Every Word I Say To You

And On That Day  
When We Meet  
You Will Feel It  
In Your Soul  
And I'll Say The Only Name  
I've Ever Loved

You Are Kind To Me  
And You Are Warm  
Darling You're Just  
Like A Gutter Rat

You Are Soft To Me  
And You Are Sweet  
Just Like A Gutter Rat  
Now How About That!?

Oh, Linda Linda - Linda Linda Linda  
Linda Linda - Linda Linda Linda

On The Day  
When We Meet  
We Will Talk  
About Love  
Understand  
Every Word I Say To You

And On That Day  
When We Meet  
You Will Feel Me  
In Your Soul  
And You'll Know

The Only  
Thing You'll Ever Know

Even If It's Not Real Love  
I Won't Leave You  
Just Because  
I Have One Name That I Love  
And One Alone

You Are Strong Just Like A Rat  
And I Catch You Like A Cat  
I Will Say Your Name Until The Day I Die

Oh, Linda Linda - Linda Linda Linda
