

# Little Love Song

Andrew W.K.

In This Giant Universe  
There Is Only One Blue Earth  
Little Love Can Reach Your Heart  
On Your Island In The Sea

So We Meet And Time Goes By  
We Write Letters Filled With Love  
The Emotion In Your Words  
Gives Me Hope About My Life

So We Share Our Every Thought  
Some Are Wild And Some Are Sad  
All Our Thoughts Begin To Echo  
And Repeat Around The World

And The Echo Started Soft  
But Then Grew Into A Shout  
It Gets Louder Every Day  
Until Everyone Can Hear

So Now Listen Everyone  
To This Little Song I Sing  
It's The Echo Of Our Love  
And A Song To Change The World

Hold On  
And Let Me Sing These Words  
Your Precious One Is By You  
So Close And Yet So Far Away

And Now I Sing This Little Song  
And Pray That It Will Reach You

And Bring You All The Way To Me  
Go All The Way [Repeat]  
And That Is My Little Love Song

And You Realize If We Walk  
Close Together Hand In Hand  
Even On The Darkest Night  
The Moon Can Always Show The Way

Holding Hands And Holding Hearts  
And We're Never Letting Go  
True Emotion In Our Souls  
It Will Never Ever Die

And It Can't Fade Away  
It Will Burn Forever More  
If The Ending Ever Comes  
I Will Always Say These Words

They Are True But They Are Small  
And They're Really Not Enough  
And My Eyes Get Full Of Tears  
And The Tears Are Full Of Joy

And I Don't Know What To Say  
I Just Want To Hold You Tight

If I'm Dreaming Then Please Don't Wake Me Up  
If I'm Dreaming Then Please Don't Wake Me Up  
All The Time We Spent Together Is Becoming A Star  
An Eternal Star
