

# Shima Uta

Andrew W.K.

Diego - The Flowers That We Held  
Distant Winds Will Breathe And Sigh Beneath The Clouds

Diego - The Flowers That We Lost  
Distant Winds Are Calling Up A Distant Storm

I Embrace All My Sorrow Deep Within  
Like The Waves Roll Across The Ocean Shore

Uuji Where We First Met  
In A Forest Green And Gold  
Now I Stand Beneath The Tree  
Where I Cried My Last Farewell

Shima Uta My Island Ride The Wind  
Together Fly Like Birds  
Across The Ocean Waves

Shima Uta My Island Ride The Wind  
Deliver All My Tears Across The Ocean Waves

Diego - The Flowers Gently Sway  
Gently Fall As They Ripple In The Breeze

Time Goes By And My Dream Of Happiness  
Drifts Away Petals Floating On The Sea

Uuji Where I Would Sing  
Close Together With My Friend  
Now I Stand Beneath The Tree  
Where I Cried My Last Farewell

Shima Uta My Island Ride The Wind  
Together Fly Like Birds  
Across The Ocean Waves

Shima Uta My Island Ride The Wind  
Deliver All My Love Across The Ocean Waves

The Creator Of My Life  
The Creator Of The World  
May This Evening Calm  
Last As Long As You Live

Shima Uta My Island Ride The Wind  
Together Fly Like Birds  
Across The Ocean Waves

Shima Uta My Island Ride The Wind  
Deliver All My Tears Across The Ocean Waves
