

# The Background

Andrew W.K.

Do You Want To Wait Around In The Back?  
Do You Want To Wait Around In The Background?  
If You Want To Wait Around In The Back  
Then I Can't Understand You, I Can't

You Want To Wait Around In The Back?  
Are You Saying That You Want To Wait Around In The Background?  
If You Really Want To Wait In The Background I Can't Understand  
You  
I Can't Understand You, I Can't

The End Is In Sight  
But Oh You're Waiting For Something  
Ultra Violet Light  
And Ooo I'm Waiting For You

Do You Want To Wait Around In The Back?  
Do You Want To Wait Around In The Background?  
If You Want To Wait Around In The Back  
Then I Can't Understand You, I Can't

You Want To Wait Around In The Back?  
You're Really Saying That You Want To Wait Around In The Backgr  
ound?  
(In The Background)  
If You Really Want To Wait Around In The Back  
Then I Can't Understand You  
Oh

The End Is In Sight  
But Oh You're Waiting For Something  
Ultra Violet Light  
And Ooo I'm Waiting For You

The End Is In Sight
