All Out Of Love

Andru Donalds

I'm lying alone with my head on the phone Thinking of you 'til it hurts I know you're hurt too But what else can we do? Don't meant it on torn apart

I wish I could carry the smile in my heart The times when my life seems so low And one make me believe What tomorrow could bring And that they doesn't really know Doesn't really know

I'm all out of love I'm so lost without you I know you were right Believing for so long I'm all out of love What am I without you? I can't be too late To say that I was so wrong

I want you to come back and carry me home Away from these long, lonely nights I'm reaching for you Are you feeling it too? Does the feelings seem also right?

But what would you say If I call on you now To say that I can't hold on? There's no easy way It gets harder each day Please love me or I'll be gone I'll be gone

I'm all out of love I'm so lost without you I know you were right Believing for so long I'm all out of love What am I without you? I can't be too late To say that I was so wrong What do ya thinking of? What do ya thinking of? What do ya thinking of? What do ya thinking of?

I'm all out of love I'm so lost without you I know you were right Believing for so long I'm all out of love What am I without you? I can't be too late To say that I was so wrong All out of love, baby All out of love, girl So out of love, baby So out of love, baby So out of love I'm all out of love Out of love, baby Out of love, darling All out of love
