

## Send Me A Sign

Andru Donalds

Looking for something, it must be love  
I don't expect nothing, in a world so tough  
It was just like an adventure, between you and me  
I feel like a stranger in my fantasy  
Can nobody see me? I got an open heart  
Won't somebody free me and tear my pain apart  
I send my love out to this world  
I don't wanna suffer so....  
Send me a sign - nobody's perfect in this world  
Send me a sign - I know your out there  
Waving my name, send me a sign  
When I'm telling to myself  
I'm dreaming of you day and night  
So send me a sign  
Love is an emotion you won't forget
