

# Somebody's Baby

Andru Donalds

Well just look at that girl  
With the light coming up in her eyes  
I said she must be somebody's baby  
I said she must be somebody's baby  
Well all the guys on the corner stand back  
And let her walk on by

I said she must be somebody's baby  
I said she's got to be somebody's baby  
I said she must be somebody's baby

Well she's alright  
She's probably somebody's only light  
Gonna shine tonight  
Yeah I said  
She's probably somebody's baby alright

I heard her talking to her friend  
When she thought nobody else was around  
I said she must be somebody's baby  
I said she got to be somebody's baby  
Well all the cars and the signs  
And the streetlights  
Light up the town

I said she must be somebody's baby  
I said she's got to be somebody's baby  
I said she must be somebody's baby

Well she's alright  
She's probably somebody's only light  
Gonna shine tonight  
Yeah I said  
She's probably somebody's baby alright

I try to shut my eyes  
But I can't her out of my sight  
I know I'm gonna know her  
But I gotta get over my fright  
Well I'm just gonna walk up to her  
I'm gonna talk to her tonight  
Tonight

I said she must be somebody's baby  
I said she's got to be somebody's baby  
I said she must be somebody's baby

Well she's alright  
She's probably somebody's only light  
Gonna shine tonight  
Yeah I said  
She's probably somebody's baby alright

Tonight

I said she must be somebody's baby  
I said she's got to be somebody's baby

I said she must be somebody's baby
