

All I

Andrzej Smolik

I get the feeling that you just don't care
I get the feeling that you just don't give a damn
Yeah it seems that all i do is not enough
No matter how hard i try

All i ever wanted
All i ever needed
All i really cared for
Was the bit of our time

All a good i do you just ignore
What is it that you really expect of me?
And it seems all i do id not enough
No matter how hard i try
