

# Love shining through

Andrzej Zaucha

A silence in the rain  
Just every time I'm down with blues,  
Why don't the raindrops wash away  
All those bad memories left with you.  
Why don't they wash those memories  
To leave my love shining through.  
Oh baby,  
I gotta play cat and mouse with my doubts  
Please let me gamble just one more time oh  
Please let me gamble  
In the casino of your heart.  
If I don't cheat you,  
I'll find the jackpot filled  
Full of that ole sweet kind of lovin'  
That'll be shining through.  
Rained-on, dream-weary.  
Craving affection,  
Just every time I make a try  
I'm bound to find someone  
Who can give all but  
Little satisfaction  
Oh poor blue me.  
Please please  
Let me gamble  
In the casino of that heart of yours  
Please let me  
Please let me gamble  
Let my dreams come true  
Let me find at last a way to you baby  
Let me show you my love  
(Don't you see it's shining through? Just look)  
Oh  
(Don't you see it's shining through)  
Please do  
(Don't you see it's shining through)  
Oh baby baby doll  
(Don't you see it's shining through)  
Oh dolly dolly dolly please  
(Don't you see it's shining through)  
That's it babe  
(Don't you see it's shining through)  
Please do  
(Don't you see it's shining through just look  
Don't you see it's shining through just look)  
Hey oh dolly ah baby baby doll  
(Shining through)  
Please do  
(Don't you see it's shining through)  
Oh dolly dolly dolly  
(Don't you see it's shining through) (Begin Fade)  
That's it  
Baby please do  
(Don't you see it's shining through just look)
