

# Our Love Is Not Their Business

Andy Davis

You ain't no criminal  
you are the victim here  
they just don't understand us  
maybe a year from now  
people might come around but  
our love is not their business, no  
our love is not their business

watch them put on that righteous skin  
pull out your skeletons  
write your name on the bad list  
well we can put up a fight  
or we can live our lives  
our love is not their business  
our love is not their business

have i ever lied to you?  
right now, what i speak is true  
i saw them whispering  
shaking their head like they know  
but it ain't black and white  
i wish they'd leave us alone  
they've got nothing else to do  
but look at our lives

how can i make you smile  
how can i ease your mind  
should i put on my red dress  
ain't no small town to please  
there's only you and me  
and our love is not their business  
our love is not their business
