

# Good Feeling

Andy Gibb

Ah, la la la la la la la la la la la la la la la la , no no no  
Never in my wildest dreams  
could I ever see you loving me but you say I'm wrong  
'cause you're something I believe in  
And you leave me with a feeling that fills up my eyes  
Oh, I guess you have good reason but I just can't help believing  
that it's emptiness looking in your eyes  
You're just something I, I don't want to lose  
Don't make me have to choose, Ooh

Good feeling, looking at love again  
Breaking out is something new  
I can't pretend  
Good feeling, knowing the time is right  
There I stand, half your man

Bring me back to life  
Ah, la la la la la la la la la la la la la la la no no no

Sorry, but I love you  
It's the only way to tell you 'bout the mood I'm in  
'cause you're something I believe in  
And you love me with a feeling that fills up my eyes  
Oh, I guess you have good reason  
But I just can't help believing  
that it's emptiness looking in your eyes  
You're just something I, I don't want to lose  
Don't make me have to choose, Ooh

Good feeling, looking at love again  
Breaking out a new love babe  
You know, I can't pretend, oh no  
Good feeling, knowing the time is right  
Here I stand, half your man  
Bring me back to life

Ah, la la la la la la la la la la la la la la la , Ooh..

Good feeling, looking at love again  
Breaking out is something new  
You know I can't pretend, oh no  
Good feeling, knowing the time is right  
There I stand, half your man  
Bring me back to life, Ah ..

Good feeling, looking at love again  
Breaking out is something new  
You know I can't pretend, oh no  
Good feeling, knowing the time is right  
There I stand, half your man  
Bring me back to life, Ah ..
