

# I Just Want To Be Your Everything

Andy Gibb

For so long  
You and me been finding each other for so long  
And the feeling that I feel for you is more then strong, girl  
Take it from me  
If you give a little more then you're asking for  
Your love will turn the key  
Darling mine  
I would wait forever for those lips of wine  
Build my world around you, darling  
This love will shine girl  
Watch it and see  
If you give a little more then you're asking for  
Your love will turn the key

I, I just want to be your everything  
Open up the heaven in your heart and let me be  
The things you are to me and not some puppet on a string  
Oh, if I stay here without you, darling, I will die  
I want you laying in the love I have to bring  
I'd do anything to be your everything

Darling for so long  
You and me been finding each other for so long  
And the feeling that I feel for you is more then strong girl  
Take it from me  
If you give a little more then you're asking for  
Your love will turn the key

I, I just want to be your everything  
Open up the heaven in your heart and let me be  
The things you are to me and not some puppet on a string  
Oh, if I stay here without you, darling, I will die  
I want you laying in the love I have to bring  
I'd do anything to be your everything
