

## In The End

Andy Gibb

I've come home  
I've been away too long  
But you don't want me back again  
And I tried, in the end  
I can't say you made me very sad  
The point of love is not to lie  
Points denied, in the end, in the end  
How can you tell me you don't want me  
When I've done all I can to save the day  
Suppose I'm in the way  
In the end, in the end, in the end  
You don't (don't) see sense, eyes never cry  
Please take part of me, leave the rest to die  
I can't say you made me very sad  
The point of love is not to lie  
Points denied, in the end, in the end  
How can you tell me you don't want me  
When I've done all I can to save the day  
Suppose I'm in the way  
In the end, in the end  
How can you tell me you don't want me  
When I've done all I can to save the day  
Suppose I'm in the way  
In the end, in the end, in the end
