## Our Love, Don't Throw It All Away

Andy Gibb

Maybe I don't want to know the reason why But lately you don't talk to me Darling I can't see me in your eyes I hold you near but you're so far away And it's losing you I can't believe

To watch you leave and let this feeling die You alone are the living thing that keeps me alive And tomorrow if I'm here without your love You know I can't survive

Only my love can raise you high above it all Don't throw it all away, our love, our love Don't throw it all away, our love Don't throw it all away, our love, our love Don't throw it all away, our love

We can take the darkness and make if full of light But let your love flow back to me How can you leave and let this feeling die

This happy room will be a lonely place when you are gone And I won't even have your shoulders for the crying on No other women's love could be as true, I'm begging you

We changed the world we made it ours to hold But dreams are made for those who really try This losing you is real But I still feel you here inside
