

# Forever

Andy Grammer

Whoa oh oh oh oh oh whoa oh oh whoa oh oh  
It's amazing the time that it's taken  
For you to come out here  
I don't know what you do in there  
Only so many ways you can change  
How light will hit your face  
Or how you can fix your hair

You only got two eyes, two lips, so why  
It shouldn't really take long at all  
But when you finally smile cause it's just right  
Damn, you look beautiful

You take forever, ever, ever, ever  
But you're always worth waiting for  
You take forever, ever, ever, ever  
I guess I'll wait a little more  
Now, I know it's time I realize  
I will be waiting half my life, yeah  
With my back up against the door  
Cause you take forever, ever, ever, ever, ever, ever, ever, ever  
But you're always worth waiting for

And you lie through your teeth  
When you try to convince me that you'll be  
That you'll be out in less than five  
Because we both know that the only way you will ever leave  
Is if we set the whole place on fire

You already said you had the perfect dress  
So why you got to try them all  
No matter how late it gets, I must confess  
Damn, you look beautiful

You take forever, ever, ever, ever  
But you're always worth waiting for  
You take forever, ever, ever, ever  
I guess I'll wait a little more  
Now, I know it's time I realize  
I will be spending half my life, yeah  
With my back up against the door  
Cause you take forever, ever, ever, ever, ever, ever, ever, ever  
But you're always worth waiting for

You take forever, ever, ever, ever  
I guess I'll wait a little more  
Na na na, whoa ohh oh oh oh oh oh whoa oh wha oh oh oh, yeah  
Whoa oh wha oh oh oh oh oh oh oh oh oh oh  
I guess I'll wait a little more
